

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Academy of Hope had a wonderful 2014-2015 school year. Deanna Brown was named Teacher of the year. Under the direction of Waymon Edmonds and Dr. Marvin Keene Our Robotics Program for students in grades 3-6 made it to the State Championship for the second year in a row. Our student chorus was showcased during the annual Spring chorus showcase. This was the first year of the "Meet the Neighbors" Programs. This year, the faculty and staff went out to meet each of our surrounding neighbors. We introduced ourselves and personally distributed fruit baskets as a thank you for supporting Academy of Hope and Horry County Schools. Students enrolled and completed an additional week of learning by attending intercession school in October which was taught by our dedicated teachers. Several staff members attended the National Charter Schools Convention (New Orleans, Louisiana). Our amazing school sponsored a blood drive in conjunction with the Red Cross. During the month of February the students made & distributed special hearts for the residents of Agape Nursing Center. We also collected can goods and helped to ensure that 20+ students had a visit from Santa. Thank you for entrusting us with your children. Lastly, we were approved by the SC Department of Education to become a Licensed CDEP Preschool provider. We appreciate your support and look forward to another wonderful year!

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.
